

IOWA SOCIETY OF SOLID WASTE OPERATIONS

ISOSWO 2010 AWARDS PROGRAM

Do you have, or know of, a facility, project, program, associate or employee that you feel deserves recognition? Have you been wondering how to foster that recognition? The Iowa Society of Solid Waste Operations has an awards program to help you do just that.

The ISOSWO Awards Program recognizes premier facilities, projects, programs and individuals in the Iowa solid waste management industry with some well-deserved accolades.

The award application process is simple. Just complete the attached application form and return it to Awards Committee Chairperson Doug Luzbetak by August 13, 2010. The ISOSWO Awards Committee will review all applications and make its recommendations to the ISOSWO Board of Directors at the Board's September meeting.

Those receiving awards will be notified by mid-September. The awards will be formally presented at the ISOSWO/IRA Fall Conference to be held in Bettendorf on October 4-6, 2010.

Please contact Doug Luzbetak at (515)733-4144 or dluzbetak@hlwengineering.com if you have any questions.

Thank you for your interest and nominations!

Sincerely,

ISOSWO Board of Directors

IOWA SOCIETY OF SOLID WASTE OPERATIONS AWARDS NOMINATION FORM

Contact Information for Nominee:

Nominee Name (facility, project, program or person): _____

Contact Person: _____

Address: _____

City, State, Zip Code: _____

AWARDS SCORING CRITERIA (FACILITIES/PROGRAMS/PROJECTS):

A purpose of the ISOSWO Awards Program is to recognize facilities, programs and projects within the solid waste management industry of Iowa that represent excellence. The ISOSWO Board of Directors has established selection criteria by which nominated facilities, programs or projects are to be evaluated. The following are the criteria and maximum point values for which nominations will be judged. Nominations should address each criteria specified. No points will be assigned if that category is not addressed.

- 1) Application Completeness: 5 points**
 - * Has all required information been included?

- 2) Innovation/Creativity/Excellence: 20 points**
 - * Describe the innovative, creative and/or excellent aspects of the facility/program/project.
 - * Does the facility/program/project advance the Iowa solid waste management industry?

- 3) Customer Service: 10 points**
 - * Was the facility/program/project designed and/or carried out with community benefits in mind?
 - * Does the community regard the facility/program/project as positive?

- 4) Cost Effectiveness: 20 points**
 - * Discuss how the facility/program/project has performed relative to its cost.
 - * Are the economics successful compared to those found elsewhere in the Iowa solid waste management industry?

- 5) Performance: 20 points**
 - * Describe how efficiently the facility/program/project performs.
 - * Does the facility/program/project do what it was intended to do?
 - * Does the performance of the facility/program/project meet or exceed its established goals and expectations?

- 6) Environmental Benefits: 25 points**
 - * Describe the environmental benefits of the facility/program/project.
 - * Discuss overall impact of the facility/program/project on human health, environmental quality and resource conservation.
 - * Has the facility/program/project achieved its purpose (if so intended) for environmental compliance?

AWARDS SCORING CRITERIA (PROFESSIONAL ACHIEVEMENT):

The other equally-important purpose of the ISOSWO Awards Program is to recognize persons within the solid waste management industry of Iowa who have demonstrated excellence. The ISOSWO Board of Directors has established selection criteria by which nominated persons are to be evaluated. The following are the criteria and maximum point values for which nominations will be judged. Nominations should address each criteria specified. No points will be assigned if that category is not addressed.

- 1) Application Completeness: 5 points**
 - * Has all required information been included?

- 2) Innovation/Creativity/Excellence of Work: 25 points**
 - * Describe the innovative, creative and/or excellent aspects of the person.
 - * How well does the person advance and/or represent the Iowa solid waste management industry?

- 3) Customer Service: 30 points**
 - * Does the person have a “customer first” attitude?
 - * Provide examples of how the person interacts with customers in a positive manner.

- 4) Respect Among Co-Workers: 20 points**
 - * Provide examples that demonstrate that the person is respected/valued by his or her co-workers.

- 5) Respect of Peers: 20 points**
 - * Provide examples that demonstrate that the person is respected/valued by his or her ISOSWO peers.
